

## You Are the Airspace Beneath My Wings

The National Airspace system has taken on a degree of complexity over the years that have some pilots tending to "shy away" from certain types. This event is designed to help us understand some of the pleasures and perils associated with operating in the U.S. airspace to include Special Use Airspace.

**Directions:** Take the elevator located next to the Southwest Airlines ticket counter to the 2nd floor. Right turn off the elevator to the Ambassador Room

### A message from the National FAASafety Team Manager
